of Fox & Henry, Inc.

We have audited the accompanying balance sheet of Fox & Henry, Inc., an Illinois S corporation, as of December 31, 2007, and the related statements of operations & retained earnings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fox & Henry, Inc. as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole and in conformity with rules of the Securities and Exchange Commission.

**INDEPENDENT AUDITORS' REPORT
ON THE INTERNAL CONTROL STRUCTURE**

To the Stockholders and the Board of Directors
Fox & Henry, Inc.

We have examined the financial statements of Fox & Henry, Inc. For the year ended December 31, 2007 and have issued our report thereon dated February 25, 2008. As part of our examination, we made a study and evaluation of the Company's internal control structure to the extent we considered necessary to evaluate the structure as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by Fox & Henry, Inc. That we considered relevant to the objectives stated in SEC Rule 17a(g), (I) in making the periodic computations of net capital under SEC Rule 17a-3(a) (11).

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. SEC Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Member: American Institute of Certified Public Accountants and Illinois CPA Society

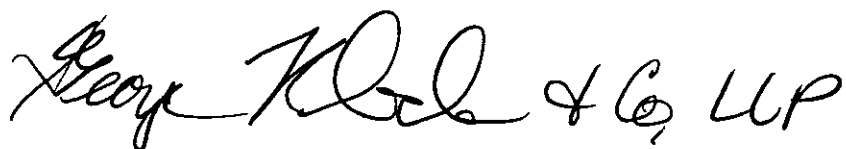

Independent Auditor's Report on the
Internal Control Structure (Continued)

Because of inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Fox & Henry, Inc. taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for their purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and our study, we believe that the Company's practices and procedures were adequate at December 31, 2007, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Act of 1934, and should not be used for any other purpose.

FOCUS PART IIA
FORM X-17A-5
DECEMBER 31, 2007

We sell partnership interests in real estate, oil and gas partnerships on a commission basis. We do not collect any cash, which is paid by customer directly to issuing partnership. Neither do we hold any securities for customers. However, we have established a segregated cash account for the exclusive benefit of customers. Due to the nature of our business, the only transaction ever recorded in this account was the opening deposit.
